Bidding Options

▶ In person in the auction theater

Bring your business or agricultural tax ID and photo ID. You will be registered with a one-time on-site bidder number.

▶ Live online via our website or mobile app

Create a free online account at rbauction.com, get a permanent online bidder number and activate online bidding. Once your account is active you can register and bid online on every upcoming auction. Registration expires after each auction.

▶ Place a proxy bid

If you want to bid on two items being sold around the same time, or you can't join the auction live, placing a proxybid can be a good solution. Register for the auction and provide your proxybids to our team, authorizing us to bid on your behalf.

▶ Bid in online Timed Auctions

Smaller items and attachments are often sold exclusively in online Timed Auctions. Bidding opens a few days before the live auction and closes on a set time. You can place bids on your computer, mobile device or at the Timed Auction kiosks at the auction site. On-site bidders login with their bidder number and PIN. Online bidders login and enter the Timed Auction on the website.
