## HOW TO BID

### Getting ready for the auction

1. View auction inventory on our website
2. Familiarize yourself with the auction process and conditions
3. Attend the viewing days to test, inspect and compare items
4. Register and bid – in person, online or by proxy
5. Became highest bidder? Congratulations!

## Bidding Options

### ▶ In person in the auction theater

Bring your business or agricultural tax ID and photo ID. You will be registered with a one-time on-site bidder number.

### ▶ Live online via our website or mobile app

Create a free online account at [rbauction.com](http://rbauction.com), get a permanent online bidder number and activate online bidding. Once your account is active you can register and bid online on every upcoming auction. Registration expires after each auction.

### ▶ Place a proxy bid

If you want to bid on two items being sold around the same time, or you can't join the auction live, placing a proxybid can be a good solution. Register for the auction and provide your proxybids to our team, authorizing us to bid on your behalf.

### ▶ Bid in online Timed Auctions

Smaller items and attachments are often sold exclusively in online Timed Auctions. Bidding opens a few days before the live auction and closes on a set time. You can place bids on your computer, mobile device or at the Timed Auction kiosks at the auction site. On-site bidders login with their bidder number and PIN. Online bidders login and enter the Timed Auction on the website.
