Meet the team

RENÉ RICHTER

Yard Operations Manager

On November 1st, 2011, my career started at Ritchie Bros in Meppen, Germany. First as Equipment Customer Service Manager. In 2013 I changed the position to Equipment Manager and took over the German inspection team and thus the responsibility for the technical and organizational handling at our auctions. Since 2015, I have been managing our premises in Germany as Yard Operations Manager.

The basis of our business are our actions on our premises. I am proud to be an integral part of the company together with my colleagues. All sorts of things await you at Ritchie Bros. Every day is different, every day there are new tasks to tackle. Ritchie Bros is a global company; Work colleagues, customers, and machines from all over the world, that makes it very varied and interesting. We always have the customer and his equipment in focus to meet his expectations.

All machines can be personally inspected and tested on site during the viewing days, which creates transparency and trust. Our employees are always ready to answer all your questions and to provide you with help and advice. Food and beverages are also always taken care of at our auctions. It's worth stopping by!
